

The following is an examiner's statement of reasons for allowance: The instant application is held to be allowable inasmuch as the prior art doesn't teach or suggest using diamine compounds in cross coupling reactions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Peter G. O'Sullivan at telephone number (571)272-0642.
